

Tuesday's Home Learning suggestions

9.00am Register Good morning! Please **reply** to the text register to update the teams on your learning status for the day. Please leave a **comment** on the text register if you would like any support and for a member of staff to give you a phone call. We are here to help you. We hope you have a great day. Here are today's activities. Feel free to organise the activities however works for you. Have fun! Liz, Roxan and Chin Chu x

PHYSICAL ACTIVITY: [Oti's boogie Beebies session 8](#)

STORY: [Giraffe Problems](#) see what problems Giraffe has as he goes about his day.

We have been learning about water this half term and for those who are interested I thought I would show you the water cycle. Here are two versions to choose from but there are lots of others in books and on video, if children are interested let me know if you enjoyed it.

1. [Link: The Water Cycle](#)
2. [Link: groundwater animation The Water Cycle](#)

MATHS

Here are two exciting activities:

Making playdough [Link: Making Playdough](#) and a song about shapes: [Link: Shapes song 1](#)

LUNCH

Let your child set the table, pour the water, or cook the food with you. They can count out or measure portions, learn new vocabulary, and expand the tastes!

SINGING: [Link: The Banana Song](#)

Weekly Science Activity (this stays the same for the rest of the week)

MAKE PAPER TOWEL MARKER MAGIC

This is such a simple activity, yet hours of awe and beauty! All you need are paper towels, water, a plate or shallow dish, and washable markers. We used Crayola, but any water soluble marker would work. Fold a paper towel in half like a card. On the front of the paper towel card, make a very simple design. Then inside, add more details and colors. Drop the paper towel into the water and watch the designs appear and colors spread!

End of the Day Please upload pictures and examples of your home learning directly onto the Evidence Me app or web suite for the teachers to review and celebrate. If you have any technical difficulties or need help installing and using the app, please comment on the morning register and we will get back to you with support.
