Friday 3rd July
 Issue No. 35
 Remote 12
 (2019-2020)

 **@PrimroseHillRW**

We have LOVED seeing our Y2 and Y5 children returning to school this week. There have been happy children and happy parents and carers and happy staff. It will be lovely to enjoy the last few weeks of hopefully.....gulp.....a bit of normality. A reminder in-school provision finishes for children on Friday 17th July with online learning remaining for the 20th and 21st July. **Robin**

September Return to School

The Government has announced some guidance on the return to schools for the new academic year. The SLT will look at this over the coming week and make a plan to fit Primrose Hill. The guidance includes increasing the sizes of bubbles, allowing all school to mix with other groups although socially distancing as well as making attendance compulsory for all. I will translate all of the guidance over the coming weeks so we are as ready as we can be, baring no significant changes over the summer.

Online Learning

We have been looking over the children's learning and the quality of work across Evidence Me and Google Classroom. We are so impressed with the creative and inventive approaches to the work as well as being so overwhelmed by how much support and encouragement you are getting from your families at home. This is brilliant! Well done all.

BLM Poem

We'll never forget the name of George Floyd.
 An innocent man whose life was destroyed.
 Like other black victims of police fatality.
 This is just one of many fatalities.
 Just because of the colour of his skin.
 That cop what went on from within.
 We shouldn't let others suffer the same.
 This fight must go on and with his name.
 Protests have spread across the U.S.
 People of all cultures are in distress.
 They fought with their lives; now families are crying.
 Innocent people are literally dying.
 We need to stop this and fast,
 So we must not let this go vast.

by Khaled in Hedgehogs

School Improvement Plan

This week I posted a questionnaire to parents and carers in preparation for compiling our SIP for the coming academic year. Your input into this is really important. Thank you if you have contributed already. If not, follow this link:

Shout Out

 **Dragonflies – Lexi & Yusuf**
 **Butterflies – Alice & Caetano**
 **Grasshoppers – Maysa & Marianne**
 **Beetles – Zita & Aqsa**
 **Bats – Oli & Hiwaad**
 **Squirrels – Zahrah and Maria**
 **Hedgehogs – Max & Liliana**
 **Foxes – Ayub and Theo**
 **Blackbirds – Hamza & Safwan**
 **Woodpeckers – Leana & Sienna**
 **Herons – Mikey & Orela**
 **Kestrels – Rafi, Driola, Hadia & Olta**

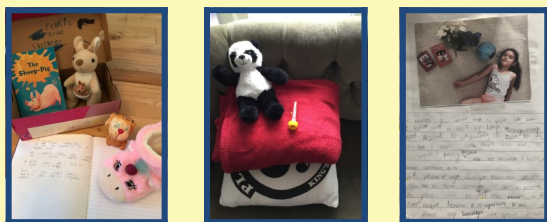

Stars of the week

SHOUT OUT  Froglets - Giv, Rayyan and families
 Ladybirds - Hugo, Eli, Lylah and Families
 Dragonflies – Josephine
 Butterflies – Samuel & Emma
 Beetles – Reis and family
 Grasshoppers – Zain & Family
 Bats – Keturah and family
 Squirrels – Bert and family
 Foxes - Zakaria and Prudence
 Hedgehogs – Alexander and family
 Blackbirds – Isma and family
 Woodpeckers – Tiana and family
 Herons – Tayneo & Ryan
 Kestrels – Erza & Dylan, and families

Our last date for children IN SCHOOL will be Friday 17th July. Online learning will continue on 20th & 21st.

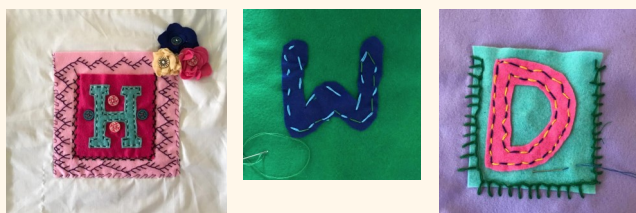

Year 1

Dr Mae Jemison was the first African American woman who went into space. She took some photos of people/things with her that she wanted to be included as part of her mission. The children in Year 1 have been thinking about who they would like to be included if they were to go into space...

Year 6

Year 6 have been busy learning different types of sewing stitches. We have now started making our own cushion covers - even our own cases!

Year 2

In Year 2 we have been learning about personification in poetry after listening to poems by Valerie Bloom. Then we wrote our own poems about Primrose Hill. We hope you like them.

PRIMROSE HILL SCHOOL

Primrose Hill school

School is a monster,
a lava monster who is big and strong.

PE is funny,
Front flip,
Jumping so high,
Belly flop,
Must stop.

Headphones bending like a snake
:)

Computer freezing
Like a bear,
Like a tear everywhere.

School is weird,
just like a beard,
eating near,
I'm weird.

School is
a nice old
man getting
a tan in the
sand just
like a man.

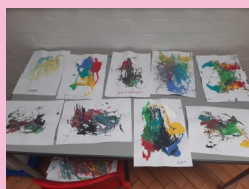

School
Trips are
So cool
When we
Go in the
Pool super
Cool.

Key Worker Children

Y6 Key Worker children enjoyed making cookies on project day.

Y2, 3, & 4 children experienced magnet painting which wrapped up science & art in a colourful package.

Short Story Competition—Living in Lockdown

On The Hill magazine are looking for short stories about living through the Coronavirus Lockdown from local residents. The story can be based on your own experience or be fictional. Stories should be no more than 1000 words. There are 4 age categories you can apply through on their website and First prize for each category is a £20 book token for Primrose Hill Books. The best entries will be posted online as an archive of these strange times. Winners will be published in On the Hill when it returns as a print magazine. Closing date is 31st July 2020.

Year 4

Year 4 have been looking at shapes and symmetry in maths. We also explored these through Art using Kandinsky's work as inspiration.

Project Day

We have seen some AMAZING work on this weeks Project Day with the theme *Loving Engagement*. It's always so nice to see our students being passionate on certain causes that affect their environment. Well done every one.

EYFS

This week, in school and at home the **Ladybirds** class theme has been centred around our amazing canals, in particular the Grand Union Canal, which our local canal forms part of. Here are some lovely examples of their work. **Tadpoles** class have had lots of fun this week going for walks, being very creative and making their own under the sea pictures using collage materials and doing lots of exercises and dancing. **Froglets** class have had another fantastic week. We have been enjoying watching puppet shows performed by the Little Angel theatre all about hats. Both at home and in school the children have had lots of fun making their own puppets and puppet theatres to tell their own stories.
