EYFS Daily Timetable for home learning on Tapestry

Below is a recommended daily timetable – you can adapt or take breaks where necessary but the expectation is that all children will engage in structured activities for the morning – parents will support this process and encourage the children to be independent, active and engaged.

Whilst there are prescribed activities available on Tapestry, we are also happy for you to support your child's individual interests and preferences and initiate your own activities. However, the important thing is that we keep communicating about your child's progress and development, so be sure to post these on Tapestry.

An adult will be available online from 9am-12:45pm each day if you need any help, please ask them questions. If you would like to talk to an adult, you can also request this. Teachers / Nursery Officers will also phone families at least once per week. We will let you know which day this will be.

	LADYBIRDS	FROGLETS and TADPOLES
9:00am	REGISTER – You will get a text asking you to register for virtual learning for the day. Please respond before 10.00 am.
