Dear Parents & Carers,

I hope that this letter finds you and your family all safe and healthy. I know it has been a challenging time for all of us adapting once again to changes and not being in school as normal, but as always the community has faced this with resilience, hard work and a real sense of togetherness!

As I mentioned in my newsletter on Friday, we are starting to include more live and interactive sessions with children as part of our remote learning offer. One of the things we learnt from our last lockdown experience is that children need to stay connected to their peers and their class team adults. We have thought about how this can work as a school, as we know that so many families still share devices - so we have timetabled **Zoom sessions across the week - see timetable below.**

The Zoom links will be shared via Google Classroom for KS1 and KS2 children and published on the daily PDF sent to EYFS parents. Our Ladybirds class will be split into 2 groups, one will be led by Maria and the other by Lia - they will swap this over next week and also change the children the following weeks so that all children have a chance to talk to each other and also the different adults. This information will also be communicated via the PDFs sent to parents/carers.

If you have not done so already, ***please complete the Zoom permission Google Form*** that was sent to you last week - we need permission for EVERY CHILD. Our staff have been chasing this up, but if you haven't been able to complete this, please email admin@primrosehill.camden.sch.uk giving us your permission- please ensure you list all children's names and their class.

You will also need to create a Zoom account for your family to use. Please ensure that when your child is logging onto their zoom session, you change the name to your child's name so they can be identified and let into the meeting.

Please note that children working in our in-school provision will join their class zoom on Thursday, as we have already planned some other activities in school for them.

Please read through the code of conduct carefully, this will also be sent to children so they know how we expect them to behave:

Zoom Code of Conduct for Parents & Children:

- Make sure that your device is charged or plugged in before you enter a Zoom meeting.
- Find a quiet place, without distractions (siblings, TV, pets).
- Expectations of behaviour and learning are the same in school as online.
- Make sure you are on time.
- Dress appropriately, we don't usually wear pyjamas to school!
- Keep yourself on mute until it is your turn to speak.
- Put your virtual hand up, if you want to speak.
- Parents/carers please help your children log on and stay nearby, they may need your help.

Kind regards,

Mireille Alwan & SLT
