Welcome Back. Here's to 2019! You all seemed to have a good break. It was encouraging to see the children run through the gates excitedly on Tuesday. We had an assembly about being ready to learn, as we all know what it is like to on the first day back. The staff felt the same on Monday before Marianne had us busy with her English story telling training. A good start to the year. **Robin**

## STEAM Week

STEAM stands for Science, Technology, Engineering, Arts and Maths. STEAM Week starts on Monday. This begins next week. Niamh has organised some amazingly exciting events to kick start the theme, with each year group undertaking a major STEAM project throughout the Spring Term.

## Y6 SATS Briefing for Parents & Carers

# Y6 SATS

This will be a short information session for Y6 Parents and Carers in preparation for SATS week in May. This will take place on Monday 14<sup>th</sup> January at 9am and 3pm in the Community Room.

## Spring Slam Maths Challenge

Primrose Hill, alongside all other Camden Primary Schools will be taking part in the Spring Slam. This is a chance for Y3 to Y6 children to participate in a class Timetable Challenge, where classes compete against each other across the borough with a final head to head later in the term. Please support your child by helping them with their times tables at home.

## Handwriting Workshop

Physical Development is part of our School Improvement Plan this year. As part of this, we are having a focus on handwriting and letter development across the school. Robin will be running a workshop for parents and carers next **Thursday 17<sup>th</sup> January at 9am** in the Community Room. This workshop will go through the developmental stages of handwriting plus provide some tips with how to support at home. **Please sign up for a space at the office.**

## Half Price Book Fair

Scholastic will be providing a half price book fair all week from **Monday 21<sup>st</sup> Jan in the top playground.**

## Halal Food

Next week you will receive some information about consulting on whether to have Halal food at Primrose Hill. This will be an information letter before we send out a brief questionnaire by text.

COFFEE  
MORNING

## Coffee Mornings

Coffee Mornings are back and the dates to keep in mind for this term are:

**EYFS & KS1: 6th March 2019 @ 9am**

**KS2: 8th March 2019 @ 9am**

It's a great opportunity to come along and speak to us about the school!

## Attendance

A warm welcome back to Primrose Hill!

We know how much of a struggle it can be to wake up in the morning especially when they're still quite dark and chilly, but please make every effort to get in and on time to school!

Started out with **95.33%** for the week which isn't bad for the first week back but let's aim for higher next week!

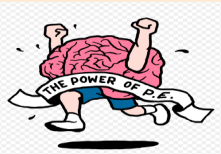

EYFS: 93.93% KSI—KS2: 95.72%

### WELL DONE TO HEDGEHOGS FOR 100%!!

As Mireille mentioned in this morning's assembly, the prize for best CLASS attendance at the end of this full term is a lovely trip to Pizza Express!! So make sure you are trying your hardest to come in everyday and schedule any medical appointments outside of school hours as they affect the attendance!

We will also continue with mystery days and if your class gets 100% attendance for the week, your class will win 20 MINUTES EXTRA PLAY!

## PE News

Happy New Year everyone!

It has been amazing to see all our children back in good spirits and full of energy.

Myself and Dean couldn't have asked for a better first week back to the New Year.

First day back saw our boys and girls football teams play at Talacre Sports Centre in the Camden football league, where we continue to make great strides towards the play off finals.

Our boys continuing their unbeaten streak which is truly amazing, and our girls playing some outstanding football to come away with two wins and a draw giving both teams a great chance of qualifying this year.

On Thursday, we took 20 children to represent Primrose Hill in the indoor athletics which was a great competitive day out for all involved. Our boys and girls sprint events were amazing! Winning the first 5 races in a row. Great work by all our wonderful children who took part!

First Gymnastics week for KS2 and the enthusiasm and energy has been so great to see. Our children really do make PE a wonderful and fun subject to teach and be apart of.

Bring on the rest of the term!

Thanks

Jordan & Dean
