Children are settled in their new classes and learning new routines and procedures. We've seen some excellent learning so far. Keep up the good work.

Meet The Teacher & Welcome Meeting

Good to have such a strong turn out for the meet the teacher events so far. These conclude next week on Monday 16th September for Y4 and Y3 and Tuesday 17th September for Y5. This is important as we are able to share key dates and procedures about your child's year group. If you missed these, they are on the website.

EYFS – Monday 23rd September at 3pm

School improvement Plan

We will be publishing the SIP shortly. This is culmination of information from our parent, staff and pupil questionnaires, data analysis, national and local initiatives as well as most importantly, where we want our school to be going: you will have noted the SIP posters outlining our objectives for the year already on display.

Absence & Attendance

Last week we did really badly on account that some of the children were still away for the summer holidays. BUT we bounced back and got 97.28% for the week which is AMAZING. I am thinking of some big prize ideas for the end of term in December and some smaller one for the end of this half term to keep morale up for the kids.

Without any further ado..

WELL DONE TO BEETLES 100%
WELL DONE TO BATS 100% SECOND WEEK IN A ROW!

Well done to almost all classes for achieving over 95%!! Lets keep this up for week 3!

Primrose Promises

We have launched our new school rules - **Primrose Promises** - with the children. They were devised last year with Laura and School Council. Please reinforce them with your children.

Primrose Promises

Use your growth mindset
Include others
Be respectful
Take responsibility
Look after our environment

Year Group Letters

If you missed the correspondence from your class teachers, these are all on the website.

School Lunches Trips and Nursery Fees Payment App

As mentioned in the previous newsletter, SCOPAY has come out with an app to help you keep up to date with lunch/trip/nursery payments. It is a really useful app and I encourage parents who pay for lunches to download it. You can set yourself alerts to remind you when your balance is below your set amount. If you need any help with the app then please see Lyra in the office.
