Monday 23rd September 2019

Dear Parents / Carers,

As some of you will have heard in the news there have been many on-going global protests about Climate Change around the world and most recently many secondary and primary school aged children have marched for this cause. Last Friday, many took to the streets and were part of the global climate change marches across the country. On Friday 27th September we will join with millions of others across the world in protesting about climate change.

Children at Primrose Hill have become more aware of the climate and environmental issues with one of our Primrose Promises being: *Look after the environment*. We have discussed these marches in assembly and teachers have and will look more closely at the issues in class, as linked to PSHE. As a result, and in collaboration with Carlton, Rhyl, Fleet and Gospel Oak, we are giving the children from Nursery to Y6 the opportunity to take part in our own climate protest.

On **Friday 27th September**, we will take all the children on a march around our local area. During the week, the children will be making posters and banners and will learn more about the issues at hand.

At 2.30 pm Primrose Hill children and staff will gather on the top playground with placards made from recycled materials. We will then leave by the top gate, walk up Chalcot Road to Fitzroy Road, onto Regent's Park road, up to St Mark's Crescent onto Gloucester Avenue and back to school via Princess Road. The local press are going to be alerted.

We would like to invite all parents, grandparents and carers to join us for our walk. If you would like to bring any banners or placards for the children to carry feel free to do so. If you would like to come along please assemble on the pavement alongside the school perimeter and then join your children as each class comes out of the gate. I hope you are able to come and join your child(ren) if you have time.

Children from the other schools will be taking part in similar activities at the same time.

Should any parent not want their child to take part please contact the office and let us know.

Robin Warren  
Head Teacher
