Our Play 3 Service

P3 are a Charitable organization working with families to provide affordable childcare in London Primary Schools. We employ professional, qualified and caring staff. We deliver activities for children and young people from 4 to 11 years and provide safe play environments that aim to support each child to learn and develop socially, physically, intellectually, creatively and emotionally. (Children in reception start in January).

We believe it's extremely important from an early age for children to have opportunities to take part in regular activities which are both adult-led and child-led in order to be healthy, to have fun and to learn new skills. We provide opportunities that are inclusive and deliver an array of sports, arts and crafts, dance, games, cooking, and free play opportunities.

Our service aims to be financially sustainable and flexible to meet the needs of all parents especially those who are in employment or full-time education studies. We cater for one-off bookings, emergency bookings and regular days

P3 Believe;

"Children have the right to relax and play, and join in a wide range of cultural, artistic and other recreational activities"
Article 31 of the UN Convention

Activities

Due to COVID-19 we will be operating in bubbles:-

Years 1 and 2—Collection-Middle gate

Years 3,4, 5 and 6-Collection-Play centre gate

Children in Reception start in January- Children must be fully independent.

We will have access to outside areas where we can play group games at a distance as well as having a separate indoor space for each bubble. We appreciate this can be a worrying time for everyone so we want to reassure you we will be operating in a safe way ensuring children wash or use hand sanitizer when they arrive, before they eat and at the end of the day. Our staff are familiar with working in bubbles and will create fun and exciting play experiences for your children.
