FOR PARENTS & CARERS of FROGLETS CHILDREN

Primrose Hill Primary School – Froglets Class

Following the closure of Froglets on Tuesday and informing you that we had a single positive staff case, we now know that the **second Froglets staff member** who was also isolating from Tuesday was tested **positive** to COVID 19. This staff member's symptoms also started on Monday 16th November so the period of isolation for your child will continue to be the same.

We have followed the national guidance and have identified that any children in the setting this week (Monday 16th November) have been in close contact with the affected staff members. In line with the national guidance, your child must stay at home and self-isolate until **Tuesday 1st December**.

It is now more important than ever to ensure that **your Froglet child isolates** in line with the government guidelines and that they do not leave your home for any reason for the specified period of 14 days. We understand this is difficult for the families involved, but if you have other children in the school, we ask you to make arrangements at drop off/collection to ensure that your **Froglets child does not enter the school grounds**. If there is any issue with this, do email us on the contact details below.

Home Learning will be provided for all Froglets children and you will have seen the text and link sent by Sophie this morning.

Finally, please be vigilant about anyone else in the house who may develop symptoms and please inform school immediately (email admin@primrosehill.camden.sch.uk & copy in head@primrosehill.camden.sch.uk).

The previous letter sent on Tuesday contains key information about available support and advice and can be accessed on the website. As always, we thank you for your support and understanding.

Yours sincerely,

Robin Warren
