Dear Parents and Carers,

Just for your information, a parent of a child in Year 5 has tested positive for Covid 19 and their child is isolating at home with the family. The parent has not been to the school to drop off or collect their child and, at this time, we have assessed there is no risk to the school community.

The Department for Education has said we are not obliged to share this information with our parents, however as always we aim to be 100% transparent with our families, who we trust implicitly.

However, this is also a good opportunity to emphasise the importance of arrangements at the end and start of the day. Following the protocols (sticking to timings, lining up, maintaining social distance) has helped to ensure that we keep our community safe and keep the school open - thank you again for your support on this matter.

Please come and speak to any member of SLT if you need to.

Kind regards,

Robin, Mireille & SLT
