Dear children and families of Year 6,

I know how disappointed you may feel at the moment, and I am so sorry for each and every one of you.

I want to reassure you that we will try to make this next period of online learning as fun as we possibly can! Starting with planning together for how we will make our final few days together in school as special as possible! We are trying to rearrange as much as we can for those last few days you will have with us.

Your teachers and all of the staff, including myself and the Senior Leadership Team, are incredibly proud of each and every one of you for how resilient and adaptable you have proven yourselves this last year or so. These are life skills that you will never lose and which will help you succeed in all walks of life and in particular in your new secondary schools.

I hope your spirits have at least been lifted by England making the Euro final (fingers crossed it really is coming home!) and that you can busy yourself over this short period with whatever makes you feel happy and well, keep up exercise and a good routine, and relax.

I can't wait to see what you come up with for your return to school and to celebrate in style and in person alongside you. In the meantime, I'll pop into some of your zooms and say hi.

Best wishes and stay safe,

Phil

Head Teacher: Phil Allman
