

Please see the outline for our half term below. Please note that planning may be adapted as the term progresses to ensure that it meets the needs of the children. Please get in contact with your child's teacher if you would like further information.

Spring 1 Topic: Onwards and Upwards		
English	Maths	Wider Curriculum
<p>English teaching and learning will be made up of English sessions, Guided Reading sessions and spelling sessions.</p> <p>This half term, we will be reading stories from Grimm's Fairy Tales by Jacob and Wilhelm Grimm. We will use this to cover different areas from the Year 5 List of Magic and as inspiration for our writing.</p>	<p>Maths teaching and learning will be constantly adapted in response to the children's needs. This half term, we will be focusing on the following topics:</p> <ul style="list-style-type: none"> ● Consolidation of multiplication and division. ● Fractions, decimals and percentages: <ul style="list-style-type: none"> ○ Recognising fractions, decimals and percentages. ○ Comparing fractions and decimals. ○ Rounding decimals to the nearest whole number. ○ Identifying equivalent fractions, decimals and percentages. ○ Adding, subtracting and multiplying fractions. 	<p>Design and Technology: Structures (Design and build a shell structure)</p> <ul style="list-style-type: none"> ● To design and make a shell structure that can be used in a mangrove forest. <p>Science: Earth and Space:</p> <ul style="list-style-type: none"> ● Describe the Moon, Sun and Earth as approximately spherical bodies. ● Identify the planets in our solar system. ● Describe the movement of the Earth and other planets relative to the Sun in the solar system. ● Describe the movement of the Moon relative to the Earth. ● Explain why we have night and day and the apparent movement of the Sun across the sky (<i>using the ideas of the Earth's rotation</i>).
