Friday 4th March 2022

Dear Parents & Carers,

Spring has arrived! We have a fantastic term of learning planned for year 2 and overleaf you will find our Spring 2 Curriculum overview with more information about what we will be learning in class and some more details about plans this term.

## Curriculum

This half term's topic is **India**. If you or your family have any links to India and you would like to come in to talk to the children, this would be wonderful! Please speak to your child's teacher if you would be interested.

We will be focussing mainly on **Geography** this half term, as well as learning about **plants in Science** and continuing our learning in **PSHE** (Personal, Social, Health and Economic Education).

## Reading

Children should be reading at home for 10-15 minutes each day. Every child has received a book at their current reading level and should be bringing these books in each day so they can be swapped. We once again have book corners in our classrooms where the children are able to select books. In addition, we visit the school's library every **Tuesday** where children can choose books to take home. As you know, the school has also invested in **Reading Eggs** online reading programme - all children should have received a log in, but please ask the office or your child's teacher if you need these details again.

## Home Learning

Home learning is given out every Friday and is due in every **Thursday**. Children can submit their home learning either electronically or in their home learning book. **Each Friday, a spelling quiz** takes place containing the spellings given out in the home learning from the previous week.

## Parental Engagement

As restrictions are easing in wider society, we anticipate that we will soon be able to invite parents and families into the building to restart some of our regular events from before the pandemic, including our parent workshops and opportunities to see your child's work and classroom. We will be in touch soon with further details about these opportunities in the next few weeks.

## PE & Music

Your child's PE & Music session will be every **Wednesday**. Children need to come into school in their PE kits on this day. PE will be held outside where possible so please make sure your child wears their PE jumper.

*Head Teacher: Phil Allman*

## **Punctuality & Attendance**

It continues to be really important that children arrive and are collected promptly.

**START OF THE DAY** - A reminder that we have returned to the *Soft Start* system at the beginning of the school day. All children will be welcomed through the main gate between 8:45 - 9:00am each morning. After 9:00am the gate will be closed and any latecomers will need to come through the main school gate rather than the vehicle entrance.

**END OF THE DAY** - Children will be in the playground when the gates open at 3:25pm. There is no need to queue down Princess Road but please be mindful of the numbers of people entering the school site at the end of the day and to maintain social distancing as much as possible. We are aware restrictions are ending in society but it is important we remain cautious up to the end of this term.

Attendance is compulsory for all children, but we understand that some absences may occur. Regular contact and communication to our office about illness and medical appointments is crucial.

Despite the guidance on Covid 19 changing over the next few weeks we have been provided with DfE guidance up to the point tests cannot be accessed freely. This is as follows:

**If children show any symptoms whilst they are in school we will still be sending them home.**

- Anyone with symptoms should take a PCR test, stay at home and follow government guidance if positive
- People who have tested positive will continue to be advised to stay at home for five full days and then receive two negative test results on consecutive days before returning to their workplace or setting
- Anyone with one or more symptoms of coronavirus - a high temperature, a new continuous cough; or a loss or change in sense of smell or taste - should self-isolate and book a test or call 119

This will be subject to change as the term goes on and Phil will update you over the coming weeks about any adaptations to this.

Office: [0207 772 8500](tel:02077728500) or email [admin@primrosehill.camden.sch.uk](mailto:admin@primrosehill.camden.sch.uk)

## **Additional Key Teaching Staff:**

PE Team - Jordan

Music - Tom

Higher Level Teaching Assistants - Heather Healy, Isabel Murphy, Sandra Grogan & Maggie Muir

## **Water & Dressing for school**

Please remember to send your child into school with a bottle of water.

We encourage you to dress your child in clothes that are practical for the classroom and ensure your child's clothing is named. We may be in spring but the weather as we have seen has been variable!, Please make sure that your child comes to school with a long sleeved coat, preferably with a hood or hat, suitable for every kind of weather.

*Head Teacher: Phil Allman*

As part of our safety precautions in school we are keeping the windows and doors open in our classroom to ensure the room is ventilated. Please make sure your child comes in with layers to wear, including a warm jumper.

### **Communication**

For further information, please make sure you regularly check the school website [www.primrosehill.camden.sch.uk](http://www.primrosehill.camden.sch.uk)

If you would like to speak to the teacher, you can email the school admin and they will be in touch directly.

We look forward to another fabulous term with your children.

Many Thanks,

Joanna Rose & Jemma Bourn  
The Year 2 Team

*Head Teacher: Phil Allman*
