## **Ratio and Proportion**

Statements only appear in Year 6 but should be connected to previous learning, particularly fractions and multiplication and division					
					Year 6
					solve problems involving the
					relative sizes of two quantities
					where missing values can be
					found by using integer multiplication and division facts
					solve problems involving the calculation of percentages [for
					example, of measures, and
					such as 15% of 360] and the use
					of percentages for comparison
					solve problems involving similar
					shapes where the scale factor is
					known or can be found
					solve problems involving
					unequal sharing and grouping
					using knowledge of fractions
					and multiples.
