Another great week at school and the sun is still shining – what could be better! The displays around the school look stunning and the timetable is packed with lots of lovely fun events bringing the community together. Teachers have been busy planning bundles of creativity and enrichment for the children, while still providing wonderful learning experiences in class. The atmosphere in school is buzzing!

This week we had the Year 4 Sleepover, which was a great success! Supper last night was cooked by our wonderful Friends of Primrose Hill and a hearty breakfast this morning rounded things off nicely. Everyone had a brilliant time (do check out the pics on our Instagram and Twitter). A huge shout out to our fabulous staff for making the sleepover possible!

Earlier in the week Year 6 visited the CLC for a day of computing and today Beetles have been to the Camden Archives as part of their history topic work. There are lots more trips to come: Chessington, the Lido and the beach trip to Broadstairs to name but a few—and all so exciting for the children (not to mention the adults)!

You will have noticed that Phil has been absent for the last couple of weeks, so while he is away, Liz and Syra are the Acting Headteachers. We are sure you will all join us in wishing Phil a very speedy recovery.

The number of children who arrived late for school this week is **76**. Even though this is less than last week, the number continues to be extremely high. We will continue to send reminder texts, letters and invite parents in for meetings.

If your application is successful, please let the school know as soon as you receive your confirmation. Please note, free school meals cannot be backdated – but will only apply from the date the school receives official confirmation from Camden – so don't delay!

Pupils in Key Stage 1 (Reception, Years 1 and 2) are all automatically entitled to Universal Free School Meals – however, if you are in receipt of benefits please do apply to Camden as above, as you may be eligible for Non-Universal Free School Meals, for which the school receives additional funding for resources etc.

School Dinner Payment

A reminder please to always ensure you are paying for lunches in advance – not in arrears.

We are having a big push on lunch debts as sadly the school is not in a position to finance these.

Reminders will be going out weekly by text and email. Tara (Admissions & Attendance Officer) and Julia (School Business Manager) will be individually contacting those in arrears over the next week.

We do understand that these are difficult financial times for many of our families, so if you think you may be **eligible** for **Free School Meals**, don't hesitate to contact the office and they will advise you on how to apply.

Please click [here](#) to make payments.

LAST DAY OF TERM 21ST JULY @1:10PM

To celebrate the passing of another year at school, we are going to have a little sing-song just before home time.

EYFS...

Wow what another busy week in Ladybirds.

As part of our STEAM project we began by having Emily and Katie visit us, they were architects. They shared what they did and showed us lots of cool building they had worked on. They stayed and helped us begin building huge models of all the buildings that we choose from the 'Primrose Hill Skyline'. Can you recognise any of them?

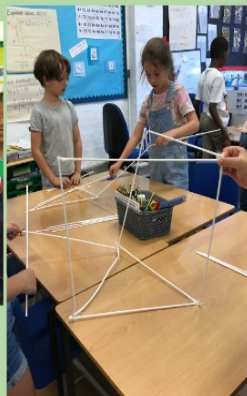

Year 1 & 2...

Beetles visited the Camden local studies and archives centre. We learnt all about the history of Primrose Hill School, transport, jobs and the Zoo. We recognised lots but we also noticed lots of changes to our local area!

Year 3 & 4...

In year 3 we have been getting ready to design our rainforest enclosures. We have been thinking about how to make our structures strong and stable. We tested this by building straw towers to see what 3D shapes made the strongest structure.

Year 5 & 6...

The Blackbirds and the Woodpeckers visited the Central London Mosque on Thursday 16th June. They learnt how the Mosque came to be built, how the angel Gabriel revealed the Koran to Mohammed, the rituals around praying and the architectural features of the Mosque. They were also allowed to enter the prayer room when the Iman led prayers.
