Tuesday 14th June '22

Dear Parents /Carers,

This is to inform you that on **Monday 20th June**, Year 5 will begin studying **Sex and Relationship Education (SRE)** from the Key Stage 2 framework for Personal, Social, Health and Citizenship Education (PSHCE). This is specifically designed for Year 5 children. Pupils will cover physical and emotional changes during puberty, the importance of good hygiene and how to deal with these appropriately. The unit is essential as it gives the children the opportunity to raise questions and address concerns about their understanding of the human body through puberty and adolescence.

The unit fits in closely with teaching from the **new Science curriculum** but will also cover the emotional and social aspects. The school's policy for PSHCE is agreed with the governing body and Camden.

If you have any further questions or concerns about this unit, do not hesitate to come and speak to us.

Best wishes,

Georgia and Paul,

The Year 5 Team
