Dear parents and carers,

Welcome back to the new school year at Primrose Hill Primary School.

I hope that you and your family have had opportunities during the holiday to relax and enjoy memorable time together and that your children are looking forward to returning to school.

I feel privileged to have been given the opportunity to be the Interim Headteacher of this wonderful school for the next 2 terms at least. I am sure some families and pupils are feeling nervous about the changes and its impact on the school but be rest assured that nothing will change in terms of the routines for children and high expectations will continue.

Primrose Primary Hill has a history of excellence, and I am looking forward to finding out more about the school so that the developments we make in this year are supported by the whole school community.

I hold a strong belief that education can change children's lives, dreams and aspirations. I am dedicated to building opportunities for children to achieve high academic standards, ensuring that they are championed as individuals and that their unique talents and interests are nurtured and developed.

There will be an opportunity for you to meet the class teacher and understand more about the curriculum and the expectations for the school year.

Meet your class teacher

| Date | Time | Classes |
|----------------------------|---------------------------------|-------------------------------|
| 20 th September | 8:45 in the Tadpoles classroom | YN Tadpoles Morning session |
