## **Yarn Bombing**

### **Craft project for Parents**

Calling all parents, aunts, uncles, grandparents and carers that can crochet or knit, for a 'yarn bombing' project, but if you do not know how to crochet or knit, no problem, we can teach you.

This can be a fun time for parents to get together and have some creative time for yourself. Learn a new skill and make our school stand out even more!

When we have all the crochet and knitted pieces, we will involve the children to help us 'yarn bomb' around the school.

We will meet on Thursday **13 October 9am** in the community room for our first session. Please come and join the fun. If you have crochet and knitting needles, please bring them with you.

### **'Yarn Bombing' – What is it?**

Is a type of graffiti or street art that applies colourful displays of knitted or crocheted yarn, rather than paint. It is also called wool bombing, yarn storming, guerrilla knitting, urban knitting or graffiti knitting.

**We would really appreciate donations of yarn to help this project come to life!**
