Dear Parents/Carers,

If your child is in year 6, you will have no doubt begun thinking about their next school; this letter outlines some of the key information and dates to be mindful of.

The online application is now available to access at www.eadmissions.org.uk. This is the quickest and easiest method of completing the application. You will be required to create a login account, which you can then easily access to check and change your application at any point until the closing date. **You can name up to six schools on your application, which should be listed in preference order. You are strongly advised to use all six preferences to increase your chance of your child being offered a school of their choice.** If only one school is listed, it does not increase your chances of being offered a place at that school.

All applications must be completed by 31st October 2022

Camden School for Girls

If you are applying for a place at Camden School for Girls, please note you must also register for the banding assessment test **by noon on 20th September**, you can register here:

Secondary School booklet

Camden Council have produced the 'Camden Guide to Secondary School' booklet, which outlines all the different Camden secondary schools and provides all the necessary information for completing the application and how to apply for open events this autumn term. It is currently available to download at: <https://www.camden.gov.uk/ccm/navigation/education/camden-schools/secondarieschools/secondary-admissions/>

Open Events

Most Camden schools plan to have open events for parents, these events are listed below. As well as schools holding their own open days and evenings, Camden Council's admissions team will be hosting a special 'Moving On' event for parents of Year 5 and Year 6 pupils at: Arlington House, Camden Town on Wednesday 28th September, from 4pm to 6.30pm. You'll be able to speak with headteachers, student ambassadors and staff from Camden secondary schools, as well as talking to the Camden admissions team about the applications process. Please register here:

‘Meet the Parents’ run events where prospective families can meet and talk to a panel of parents and students from a number of local secondary schools. Young people talk frankly about their experience at school and parents get the opportunity to ask questions about the transition process from primary to secondary school. Meet the parents will be running a range of events in September/October 2022, some physical and some online. Anyone can come to any of their events, but they are urging people to register with Eventbrite in advance. See here to book:

We will be available in school to provide advice and support with the application process. If you would like assistance in completing the application or have any questions regarding this transition process, please contact Edina (Parent liaison officer) who will be happy to assist you. Please also see the key dates outlined below.

Kind Regards,

Inclusion Team
