Practical Cooking Session at King's Cross Waitrose Cookery School

We are pleased to inform you that your child has the special opportunity to visit King's Cross Waitrose Cookery School for a 2 hour practical cooking session. The King's Cross Waitrose store, in partnership with the Camden Health and Wellbeing Team, have offered to host a practical cooking session for your child's school.

What the children can expect

Students taking part will spend **1 hour preparing and cooking a recipe** in the cookery school kitchen and **1 hour touring the shop floor** with an opportunity to learn about the source and seasonality of foods.

Lunch

Lunch will be provided as your child will have the opportunity to eat the recipe they have made in the morning.

If weather permits, children will be able to enjoy the meal they have prepared in the Waitrose garden seated area. Alternatively, Waitrose will supply each child with a container to bring their food back to school.

Please note that if your child has suffered from/been in contact with someone suffering from diarrhoea, vomiting or food poisoning within 7 days leading up to the cooking session, you must inform your child's teacher as your child will not be able to attend.
