15 & 30 hours free childcare for 3 and 4-year-olds

- All 3 to 4-year-olds in England can get 570 free hours per year. It's usually taken as 15 hours a week for 38 weeks of the year, but you can choose to take fewer hours over more weeks, for example.
- Some 3 to 4-year-olds are eligible for 30 hours free childcare a week. [Check if you're eligible and find out how to apply.](#)
- You must live in England to apply for free childcare. The amount of free childcare you can get depends on:
 - your child's age and circumstances
 - whether you're working (employed, self-employed, or a director)
 - your income (and your partner's income, if you have one)
 - your immigration status
- If you've already registered, you can [sign in to your childcare account.](#)

How to claim 15 hours free childcare including where to get your code

- Applications are now open for eligible working parents of 2-year-olds to receive 15 hours free childcare, starting from April 2024.
- It's the first step in our promise to expand the 30 hours free childcare scheme for working parents from when their child turns nine months until they start school.
- We're making the biggest investment by a UK government into childcare in history, doubling the amount we expect to spend over the next few years from around £4 billion to around £8 billion each year.
